**THE GOLDEN TROUGH AWARDS**

It was playtime at St Pimples the school for rich young ladies

But the very rich boys of nearby St Elephants School had sneaked over the wall and were being very naughty...

Today's showing is one of the famous 'Girls of St Pimples' film, a classic of its kind!

At last they were ready.

And on the hill over St Elephants the girls excitedly tried and tested their experiment.

♥ Mary Lighthouse (critic) ♥

It's disgraceful, a whole issue of Oink making fun of school and teaching!

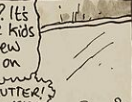

I'll phone my local headmaster and start a campaign to have this issue banned!

So... I'm calling about the latest 'Oink' comic!

Wonderful isn't it? It's the first time the kids have started a new term with smiles on their faces!

# SCHOOL INVADERS

## PIN-UP GAME!

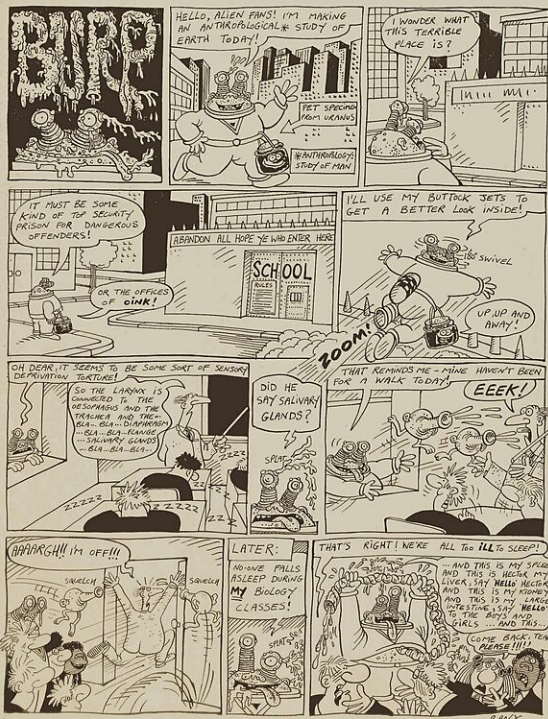

The teachers are coming – to give you lines, detention, and some really boring lessons! Can you stop them?

You'll need – some paper planes, rubber-sucker darts or inky pellets – and a watch. Stand about 10 feet from the pin-up and set the watch going. Now throw your projectiles (one at a time). Each time you hit a teacher, mark them with a pin or bit of blu-tak to indicate that they're knocked out. You must knock out each teacher individually. If you get the lot in two minutes, you've won!

P.S. Winning against the teachers is virtually impossible – just like real life!

## JOLLY GOOD FUN FROM PIFFLE PUBLICATIONS

### School Stories and Tales of Adventures for Girls and Boys

A Dozen Years of Hundreds of Titles  
by Louisa May Alcott

#### BANANA ISLAND

by R. LOOPY STEVENSON

All the ingredients for a thoroughly enjoyable boys' story - pirates, a kidnapped schoolboy, a secret, treasure, pluck, and a giant man-eating banana.

#### THE UNDERWATER TRIUMPH

by JACK COUSTEAU

The heart-wrenching story of a deprived boy in a bid-woods school that doesn't even have its own swimming pool. He runs away to sea, and has exciting times among strange fish, minute crustaceans, etc.

#### SANDY OF THE RIVER

by MOLESKIN CHIVERS

A story to gladden the hearts of boys and make their pulses beat. Sandy is an orphaned misanthrope who travels far, has many adventures, and tries to impress the natives that he falls among, so that they'll make him their king. Then a lot of things happen. Hor Hor.

#### CAROL OF TAXIDERM SCHOOL

by STU FING

A delightful schoolgirl story, full of pranks and high spirits. There is also a scandal involving a stuffed wombat, which sets the tongues of unpleasant girls wagging, but Carol's special charms are loyal, and all ends well for everyone (except the wombat).

#### THE GIRL WHO LOVED DOGS

by RAY NINE

St. Wobbsle's Boarding School is short of funds, so Ruth helps by opening a Pet's Hospital in the lake sheds. Her enterprise ensures that her school chums are soon well fed and contented. The book contains an interesting recipe for Spaniel Stew.

#### VICTORIA'S FIRST TERM

by MABEL TYRANT

Victoria begins her school life all wrong and gets out of favour with the girls and teachers. But she ends up being recognised as a real good sport because she doesn't complain when they enclosed her in concrete and throw her into a swamp.
